SERIOUS CHARGE

Placed Against Charles Royle, Former Maysvillian—Was Arrested Yesterday on Street Car—Had Just Returned From Several Months' Stay in West.

Mr. Charles Royle, a former resident of this city, but who has been making his home in the West for the past several months, was arrested on a street car yesterday by Officer A. G. Stewart on a warrant charging him with seduction under promise of marriage.

Mr. Royle had just returned from the West to make a visit to relatives in this city and was riding from the depot to the East End. He was taken to Police Court and was released on a bond of \$200 furnished by his brother, Mr. George W. Royle.

The charge against Royle is made by Miss Maude Lightner, sister of the woman in the case, Clara Lightner, who is now at city almshouse, having recently become a mother. Royle will be remembered as having been elected a member of the Maysville Police Court about a year ago and resigned after serving a few days.

SUGAR ARRIVES

The 5,000 pounds of sugar ordered several days ago by County Food Administrator Cochran for the retailers of the county, arrived yesterday and was placed in the hands of the M. C. Russell Company and Omar Dodson, wholesale grocers, for distribution.

Mr. Cochran issued an order last night that pies and doughnuts may be served on Wheatless days if the one-third substitute is adhered to on all other days.

Rev. B. A. Miller, of Lexington, will preach at the Aberdeen Baptist Church Sunday morning at 10:45 o'clock and in the evening at 7 o'clock.

FORMER MAYSVILLE BOY

New American Vice Consul to Algiers, Here on Visit—Charles E. Allen Secures Several Months' Leave of Absence and Comes Back to Old Home Town For Short Stay.

Hon. Charles E. Allen, American Vice Consul to Algiers, formerly a resident of this city, having been born and reared here, arrived in New York last week after a five weeks' ocean voyage, and is now enjoying several weeks' leave of absence.

Mr. Allen was a visitor in the city Thursday for the purpose of registering in the selective draft and filling his questionnaire. Mr. Allen has returned to Cincinnati to rejoin his wife, an English woman, who is visiting relatives there and enjoying a much-needed rest after a rough ocean voyage. Mr. Allen will return to Maysville in a few days for a short visit, after which he will go to Fort Meyers, Fla., to visit his parents, Mr. and Mrs. Bruce Allen, former residents of this city.

For some time Mr. Allen was attached to the American Consulate in Constantinople, but after the war broke out was transferred to Algiers. Since leaving Maysville several years ago he has shown that he is made up of those elements that mean much to the success of a young man and his rise has been very rapid. He has traveled extensively in the principal cities of the Old World and it is a great pleasure to hear him recite some of the many adventures that have befallen him in his work and travels.

Neal Hunt, of this city, and Henry McKee, of Mayslick, were tried before a jury in County Court yesterday and were adjudged insane. They will be taken to the State Hospital for the Insane at Lexington today.

DISTRICT MEETING

Of Grand Lodge of Oddfellows Largely Attended Here Yesterday—Fine Time Enjoyed By all at Main Session Held Last Night.

The doors of our city were open Vice President of the A. B. K. of Maysville to attend the district meeting of the Grand Lodge of Oddfellows, which was held in the new Ringgold Temple on Market street.

The entertainment committee had everything in readiness and the visitors were entertained with true Kentuckian hospitality. A social meeting was held yesterday afternoon at 3 o'clock, at which time the delegates were extended a welcome by the members of DeKalb and Ringgold lodges.

A big banquet repast beginning at 6 o'clock was greatly enjoyed, it being served in first-class style by Messrs. Charles Rhomiller and Charles Mullikin. The meeting was called to order by Noble Grand Riley M. Gaither and in a few well-chosen words introduced Hon. A. D. Cole, of this city, who gave an address of welcome. This was responded to by Grand Master Beckham Overstreet, of Louisville, whose address was greatly enjoyed. Grand Secretary R. G. Elliott, of Lexington, made a short address and asked for some short talks under the head of "For the Good of the Order". Several of the visitors as well as some of the members of the Maysville lodges made interesting remarks that brought out some new thoughts.

The big event of the evening was the induction of Mr. N. S. Calhoun, Vice President of the Bank of Maysville, into the mysteries of the order.

This section was visited by a heavy rain for a short time early this morning. It was accompanied by a heavy wind.

It is supposed that he was assisting in the removal of the contents of the building when overcome by the smoke and flames. It was thought at first that all of the students in attendance at the school had escaped.

FARMERS

If you are snowbound, remember you are not the only ones. Just think how The Ledger's "Printer's Devil" felt when tons of snow off the neighbor's roof came nigh breakin' his back. Cheer up; we will live through it. The Square Deal Man is hibernating---waiting for you all to come in and buy. Spring is just around the corner and some of these days you will need some new Plow Points. When you do just ask for the Square Deal Man of Square Deal Square.

EAST END GROCERS

To Close at 7 O'clock Instead of 6—Meeting of Grocers' Association Held Thursday Night.

The Maysville Retail Grocers' Association held its regular meeting in the Chamber of Commerce Thursday evening with most all the members present.

Mr. M. P. Redmond's application for membership was received and upon vote he was elected to membership in the organization.

The committee appointed to visit the grocers of the city and obtain signatures to the 6 o'clock closing agreement reported that they had met marked success and, with few exceptions, the agreement is being adopted.

The committee reported that in some instances it was working a little hardship with some of the customers in the East End and it was ordered that the grocers beyond the bridge will be permitted to keep open until 7 o'clock each evening, excepting Saturday, until the next meeting.

The grocers that are members of this organization are very glad to have the opportunity to discuss their problems at these meetings especially since conditions are changing so rapidly. It is more than likely that all of the grocers of Maysville will soon be members.

LIEUTENANT CALHOUN SAFE

Friends of Lieutenant John M. Calhoun, former city attorney, have been very much worried for the past several days, fearing that he was on the U. S. transport Tusclana, sunk several days ago by a torpedo from a German submarine. It was known that he received sailing orders about two weeks ago. A telegram was sent to the army officials at Washington yesterday by his brother, Mr. N. S. Calhoun, to find out whether or not he was on the vessel. In a short time a reply came giving assurance that he was not.
